

Roots to Work:

Growing Agricultural Skills for Independence

Teaching and preparing young adults with disabilities for work in the agricultural sector

WHO

- Targeting young adults with a disability (must be 18+) who want to learn horticulture skills to be successful in the workplace.

WHAT

- 14-week course
- Classroom + Hands-On Training

WHEN

- January - April 2027
- Every Friday
- 9:30am-12:00pm

WHERE

- UF/IFAS Brevard County Extension
  3695 Lake Drive, Cocoa, FL 32926

This program is best suited for young adults exploring career paths or volunteer opportunities who are ready to build hands-on skills with an interest in agriculture. Participants should be comfortable with group activities, outdoor tasks, and following multi-step directions.

For those requiring more support or not yet exploring work-based learning, please contact us to learn if this program is the right fit for you.
