

Lisa Conti, DVM, MPH, Dipl ACVPM, AVES (Hon)

Dr. Lisa Conti, the Florida Department of Agriculture and Consumer Services' first Chief Science Officer, is Director of Strategic Initiatives. She was previously Deputy Commissioner overseeing the divisions of Aquaculture, Plant Industry, Food Safety, Animal Industry and Agricultural Environmental Services. Prior appointments were with the Florida Department of Health, as Division Director of Environmental Health, Florida State Public Health Veterinarian and State HIV/AIDS Surveillance Coordinator.

She has authored or co-authored numerous journal articles on One Health, public health, HIV/AIDS surveillance, vector-borne and zoonotic disease topics. She is Coeditor with Dr. Peter Rabinowitz, of the book Human-Animal Medicine: Clinical Approaches to Zoonoses, Toxicants and Other Shared Health Risks and Coeditor of Confronting Emerging Zoonoses: The One Health Paradigm.

Dr. Conti earned her Doctor of Veterinary Medical degree from the University of Florida, Master of Public Health (Public Health Administration) from the University of South Florida and Bachelor of Science (Chemistry/Math) from the University of Miami. She is a Certified Public Manager through Florida State University, and Board Certified in Preventive Medicine through the American College of Veterinary Preventive Medicine.

She is a recipient of the American Veterinary Epidemiology Society Gold Head Cane Award, Florida Public Health Woman of the Year Award and the American Veterinary Medical Association's Public Service Award.
